

# **STUDENTS**

## **I. INSTALLATION OF THE APP**

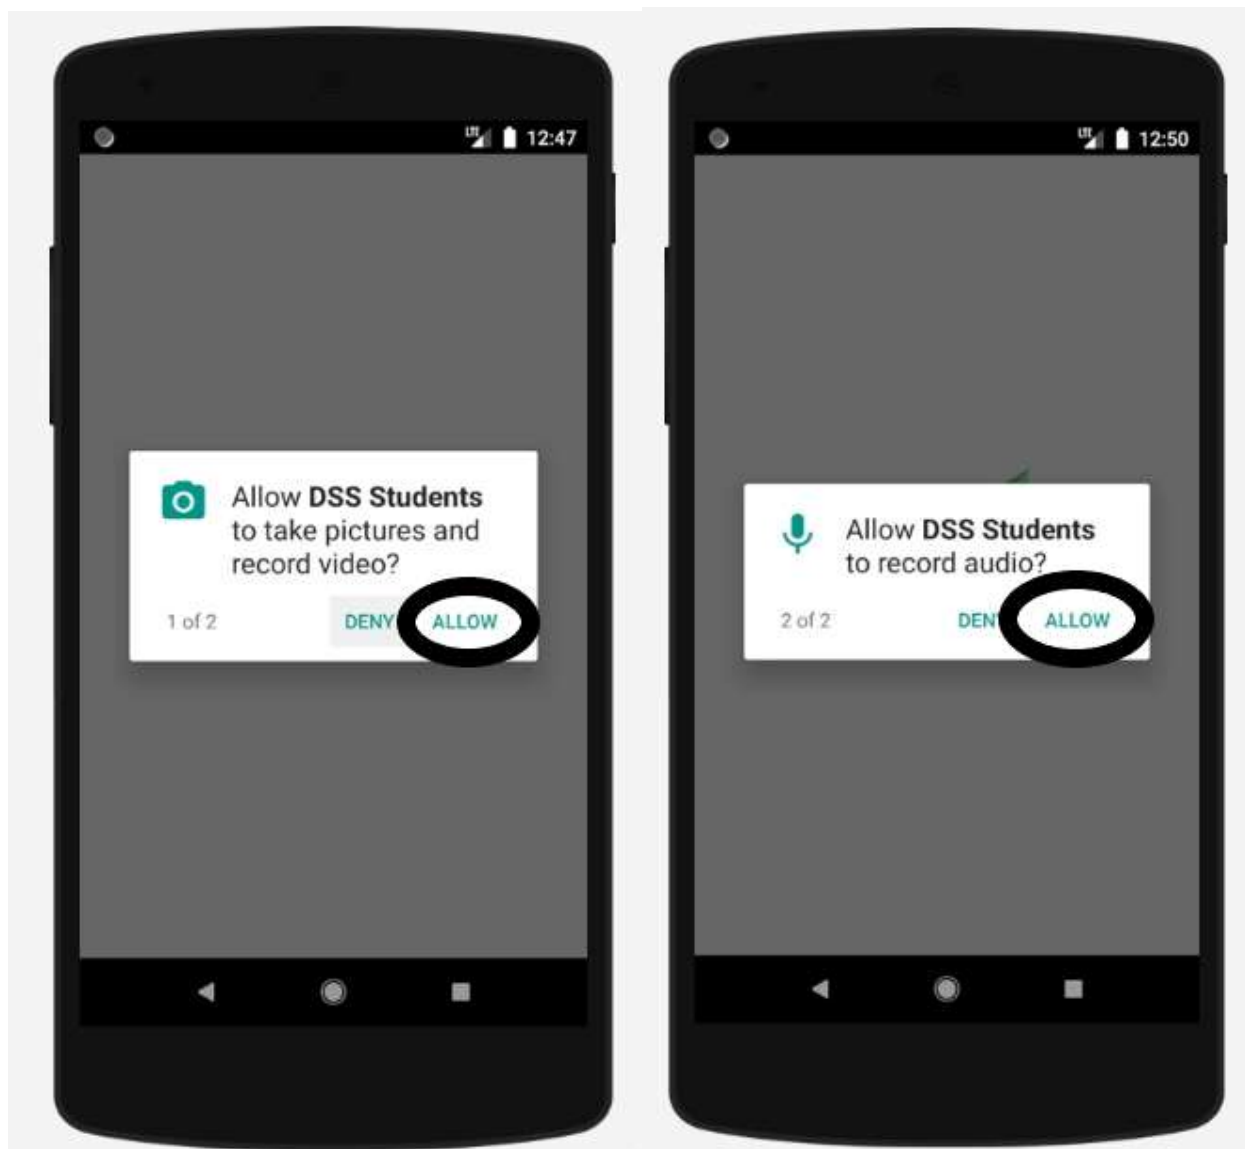

Install the app from this link:

## **II. USAGE OF THE APP**

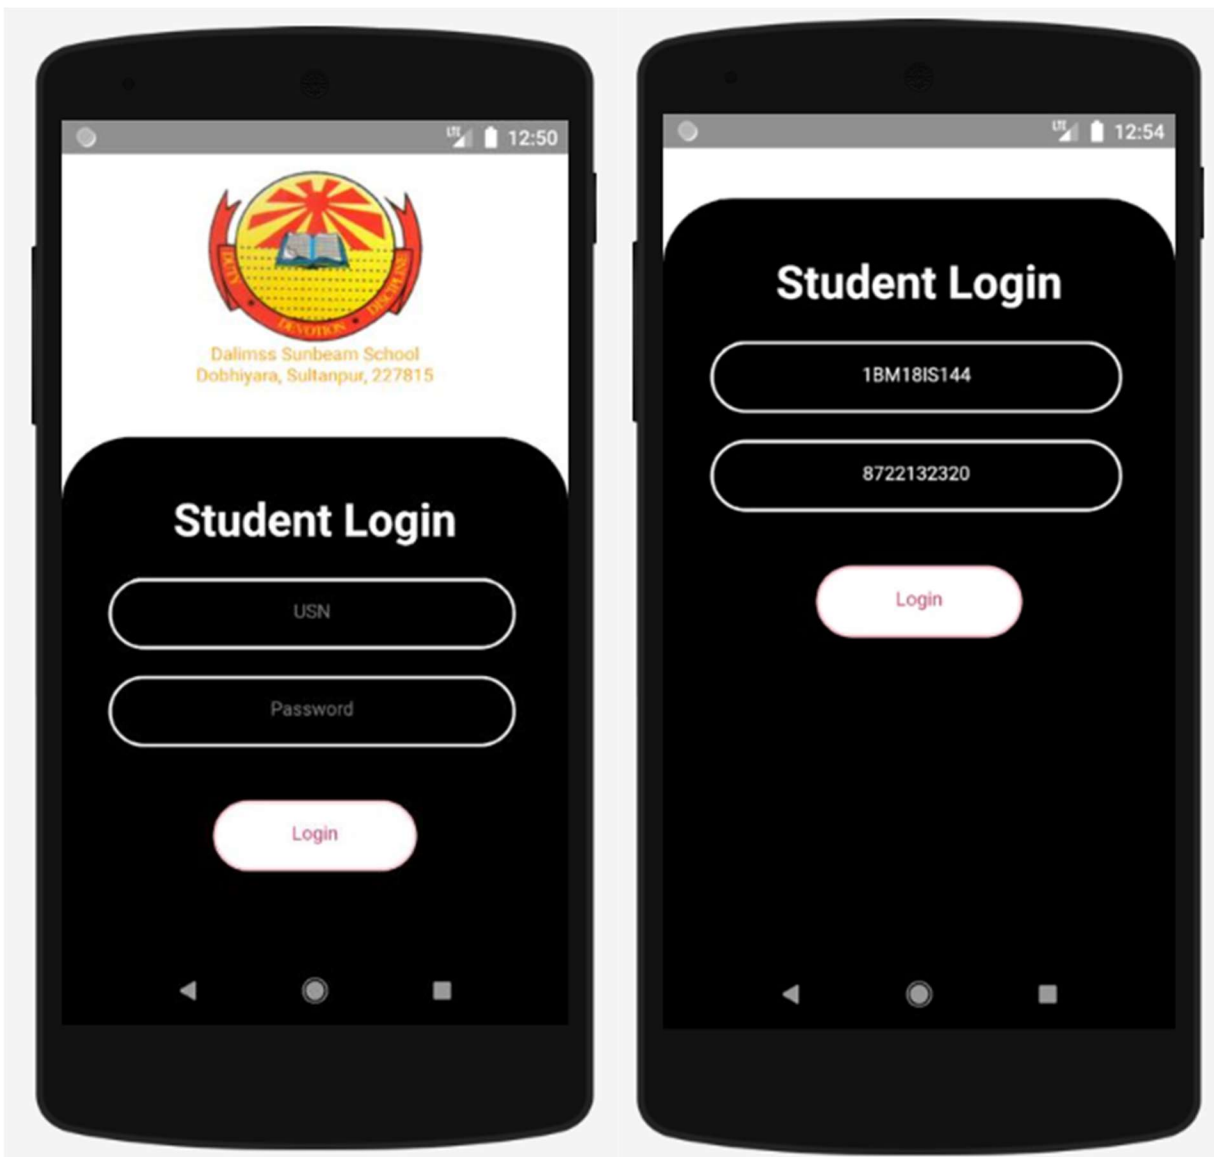

Student user guidelines for the APP are given below:

### **A. OPENING THE APP & STUDENT LOGIN:**

STEP 1: Click on “**Allow**” to take pictures, record video and record audio.

STEP 2: Enter “USN “and “**Password**”. Then press on “**Login**”

## **B. DASHBOARD:**

After a student logs in they can view the following contents in his dashboard:

- ❖ Active Courses
- ❖ Register New Course
- ❖ Awaiting Confirmation
- ❖ Profile

## ❖ ACTIVE COURSES:

You can check all the courses you have enrolled, take up online quiz, check your attendance status & marks, ask doubts in discussion forum here.

STEP 1: To open any/all enrolled courses

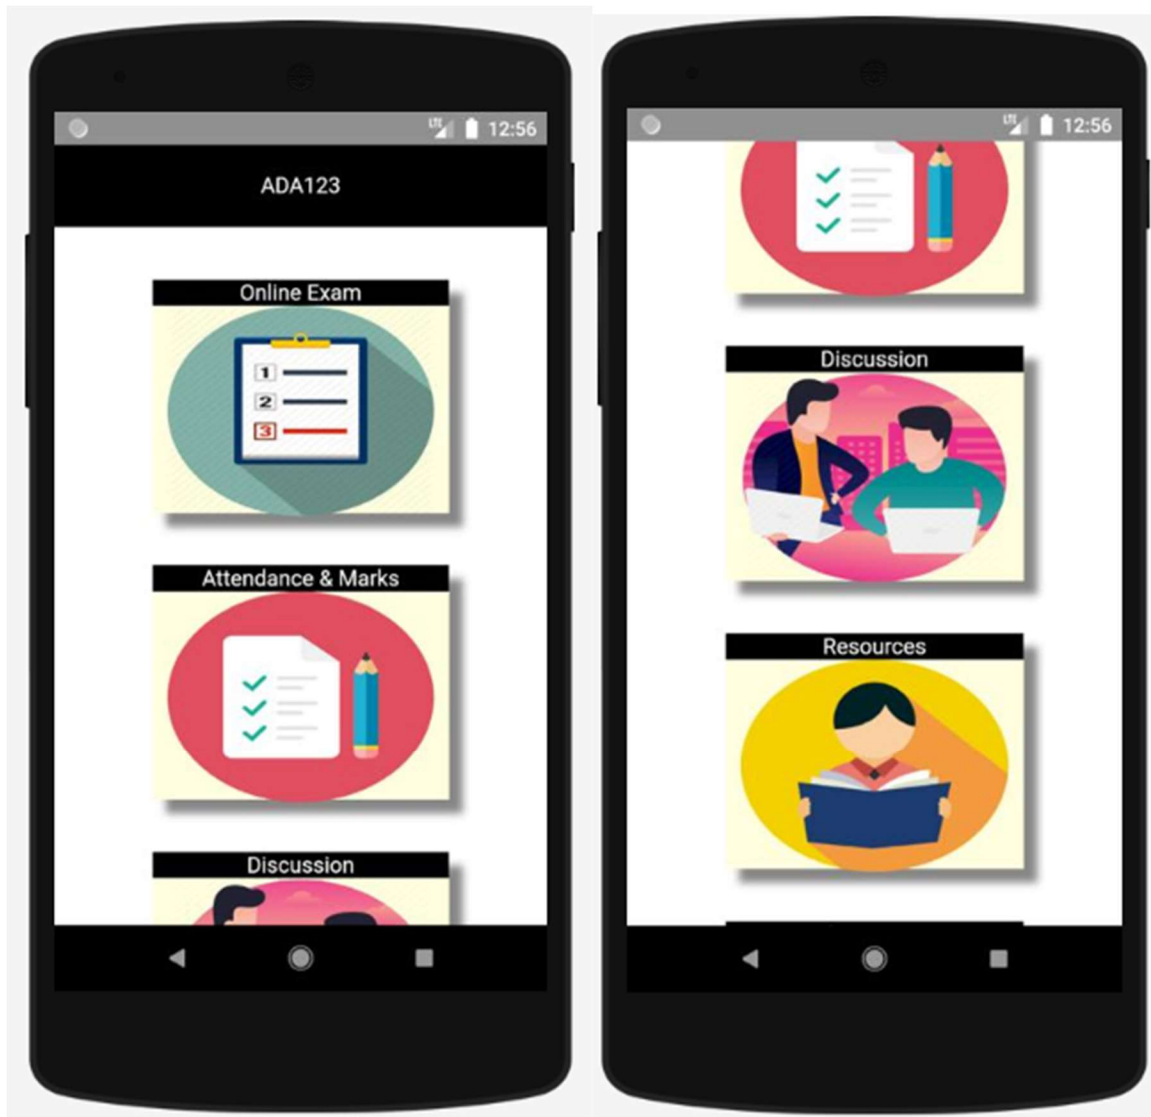

Click on “**Active Courses**” to view all the courses you have enrolled in. On clicking Active courses, all the courses you have joined will get opened.

STEP 2: To check details of each course enrolled

On clicking any of the course which you have enrolled, the following contents will be displayed on your screen:

- ✚ Online Exam
- ✚ Attendance & Marks
- ✚ Discussion
- ✚ Resources

### Online Exam:

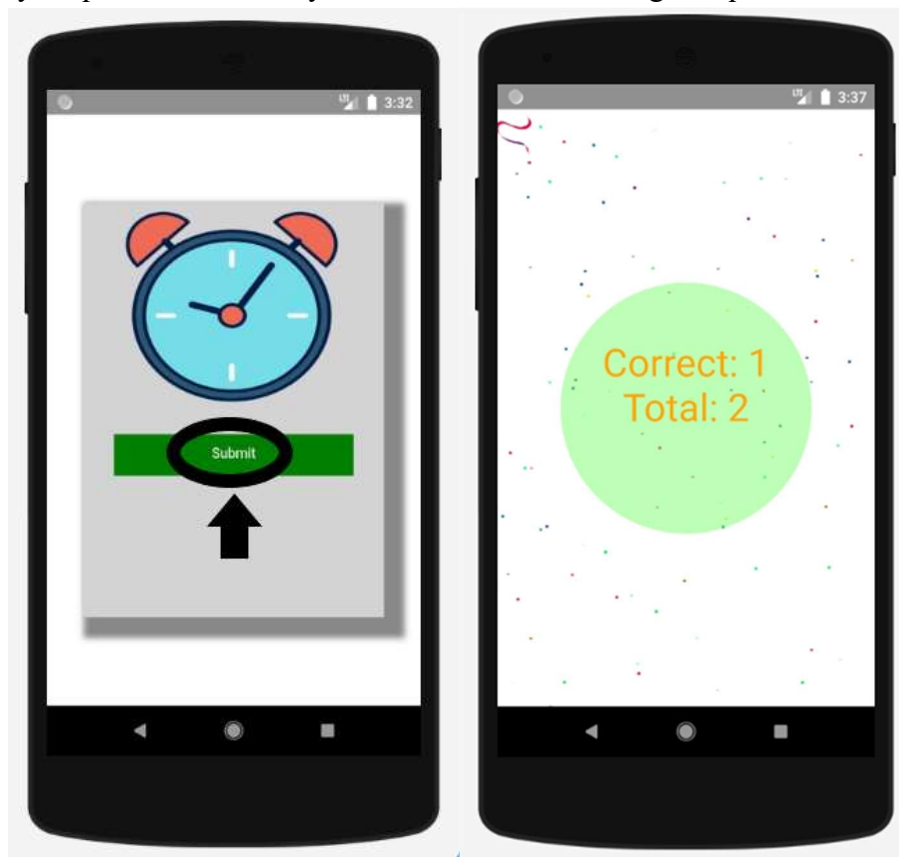

You can take up the quizzes uploaded by your faculty/teacher here.

STEP 1: To take an online quiz in any particular course enrolled, click on:

Active Courses → Choose the course you want → **Online Exam**. All the quizzes posted by faculty will be visible. Now you can click on the quiz you want to take up.

STEP 2: Complete the quiz by answering the question. After all the questions are completed you can see a submit button on your screen, then press on “**Submit**” button to submit your quiz/ to end you quiz. You can see your marks after submitting the quiz.

NOTE:

- You can see timer for each question as shown in the below image.
- To go to the next question press on “**Next**” button
- You cannot go back to the previous question.

### Attendance & Marks:

You can check your attendance status and marks in all the courses you have enrolled.

STEP 1: To check the attendance and marks obtained in that particular course click on Active Courses → Choose the course you want → Attendance & Marks

STEP 2: You can now view your attendance status and marks obtained in that course which was updated by your faculty/teacher.

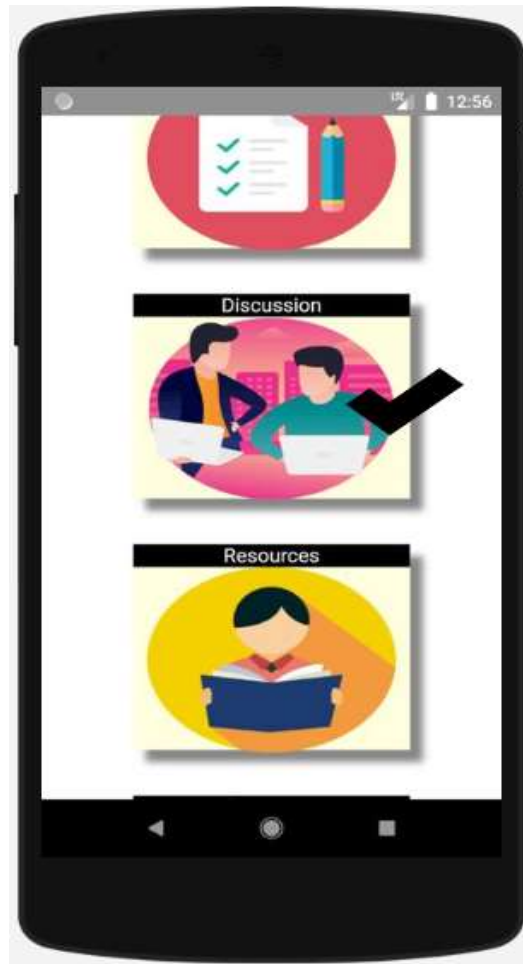

### Discussion:

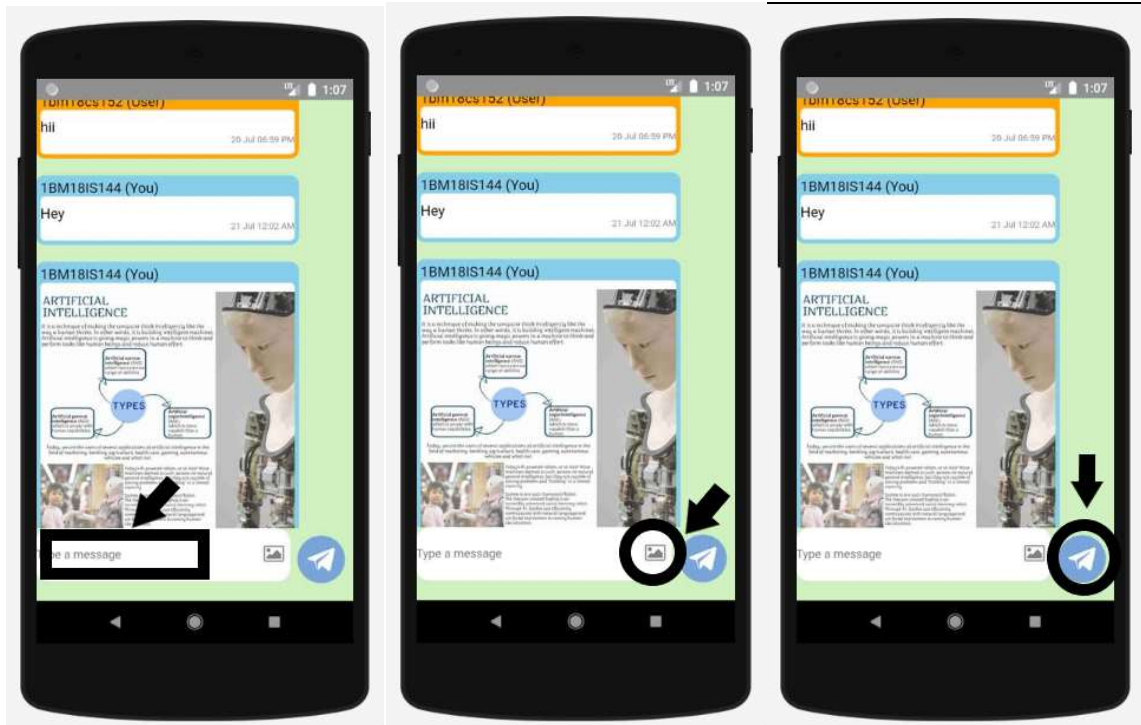

Here a student can ask doubts to the faculty/their peer/their friends.

STEP 1: To ask you doubts in any particular course to the teacher/your peer click on:

Active Courses → Choose the course you want → **Discussion.**

STEP 2: Now press on **“Type a message”** to type your doubt and then press the send icon. You can also add an image by pressing on the image icon.

## Resources:

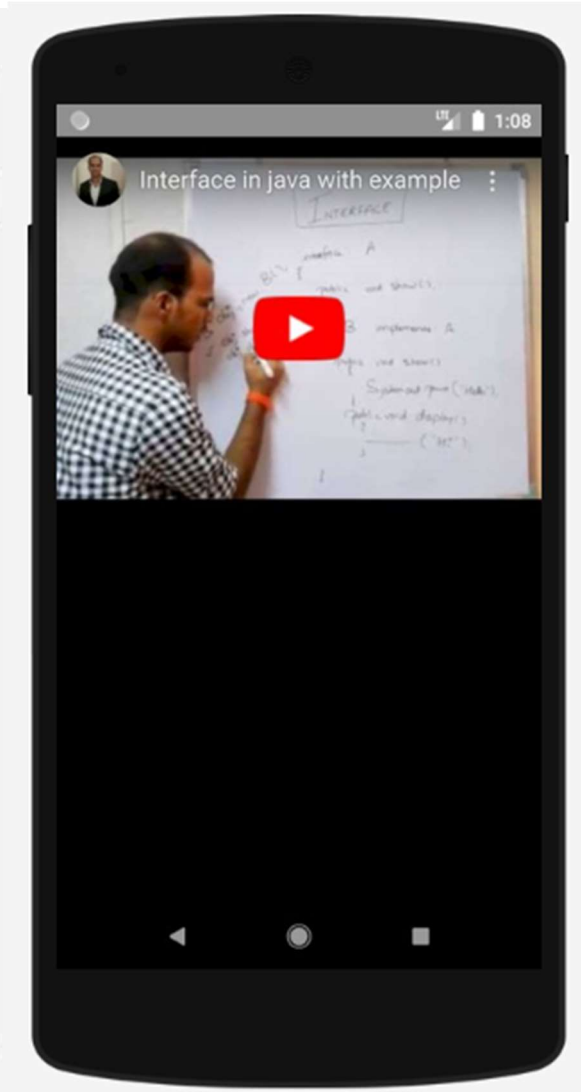

Here students can find all the resources uploaded by the faculty/teachers.

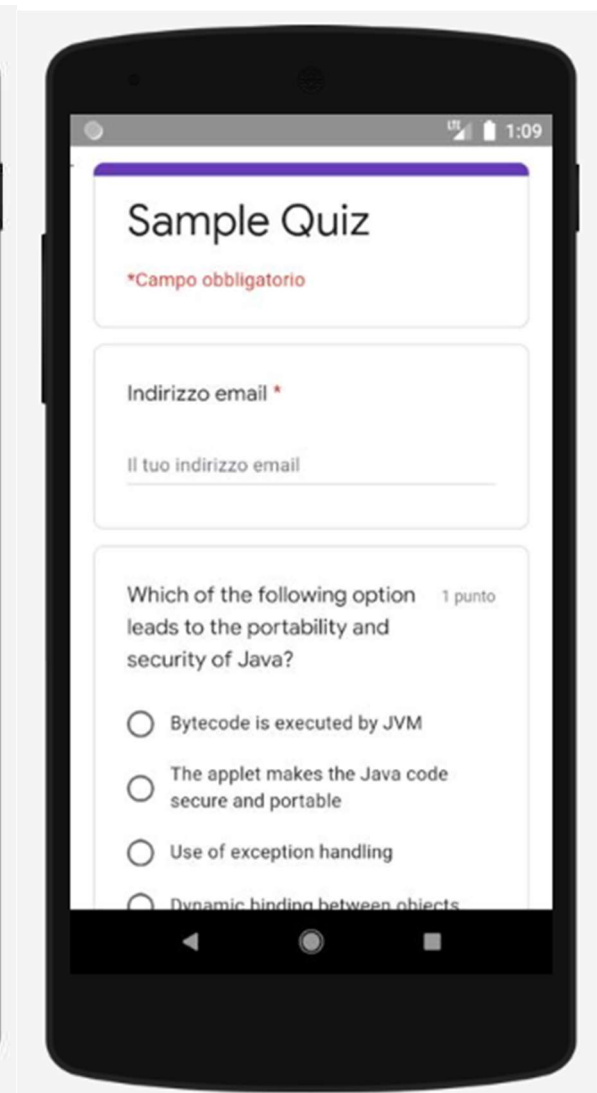

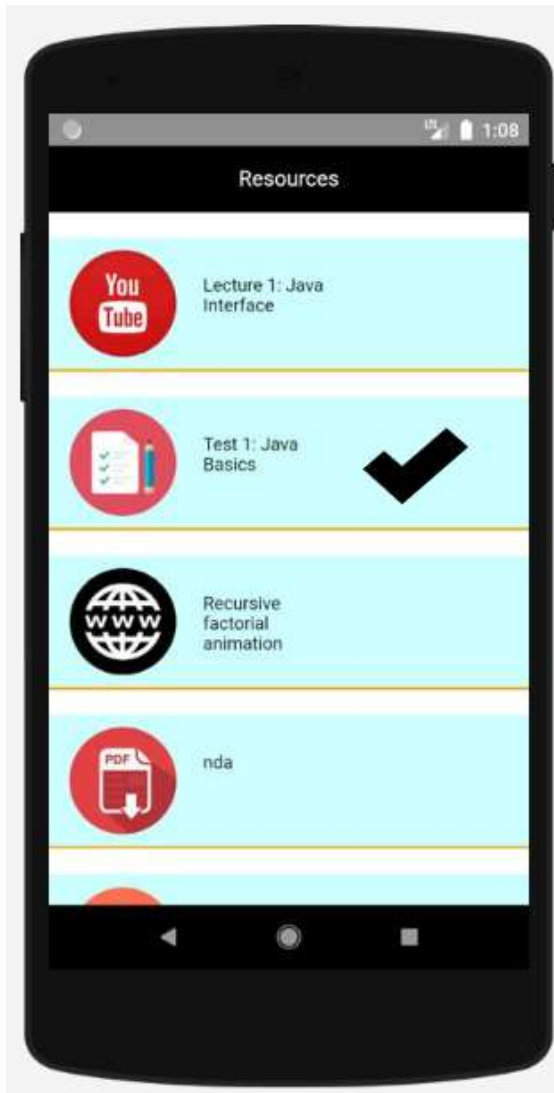

STEP 1: To ask you doubts in any particular course to the teacher/your peer click on:

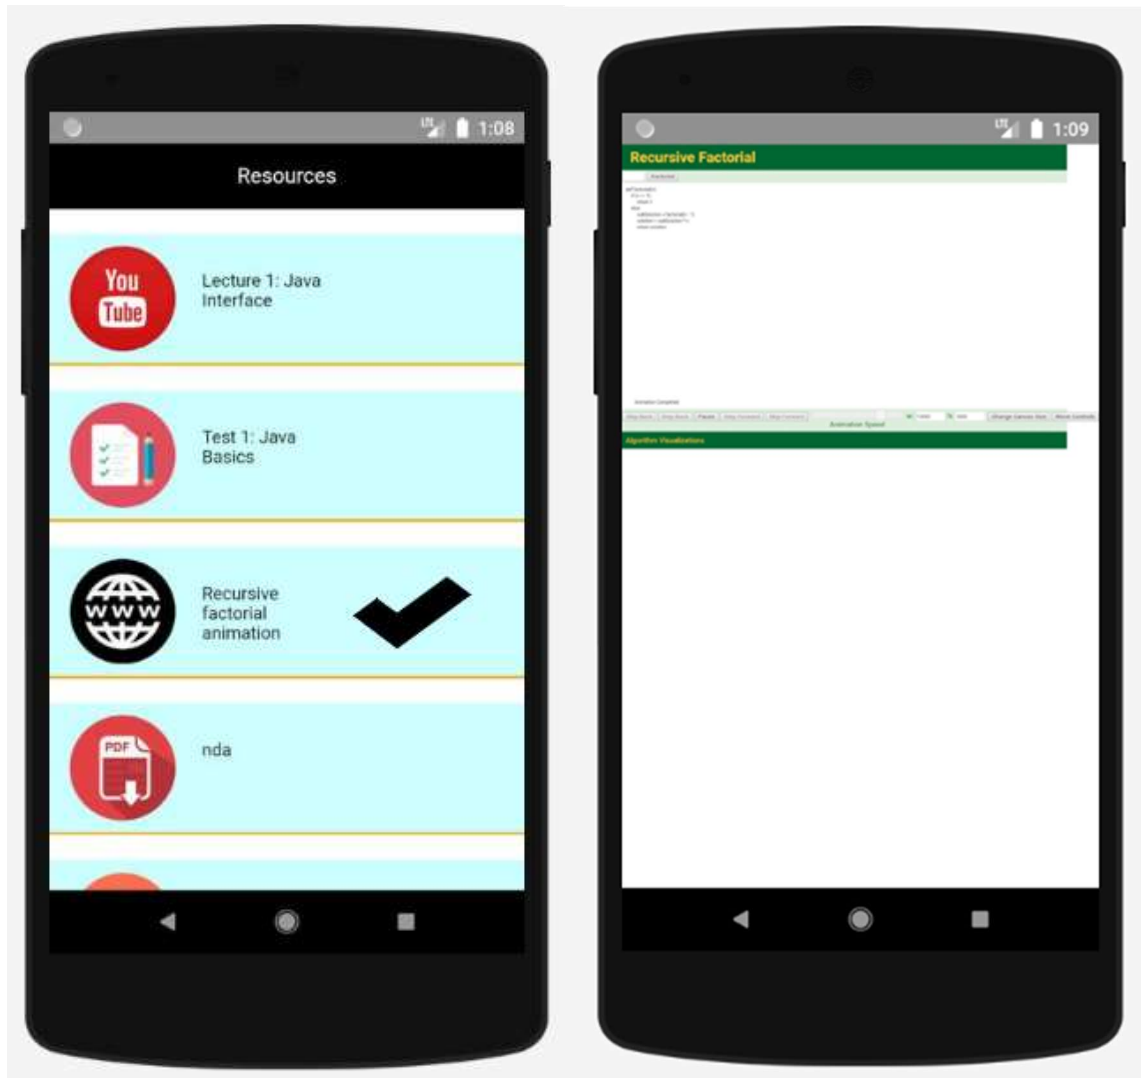

Active Courses → Choose the course you want → **Resources**

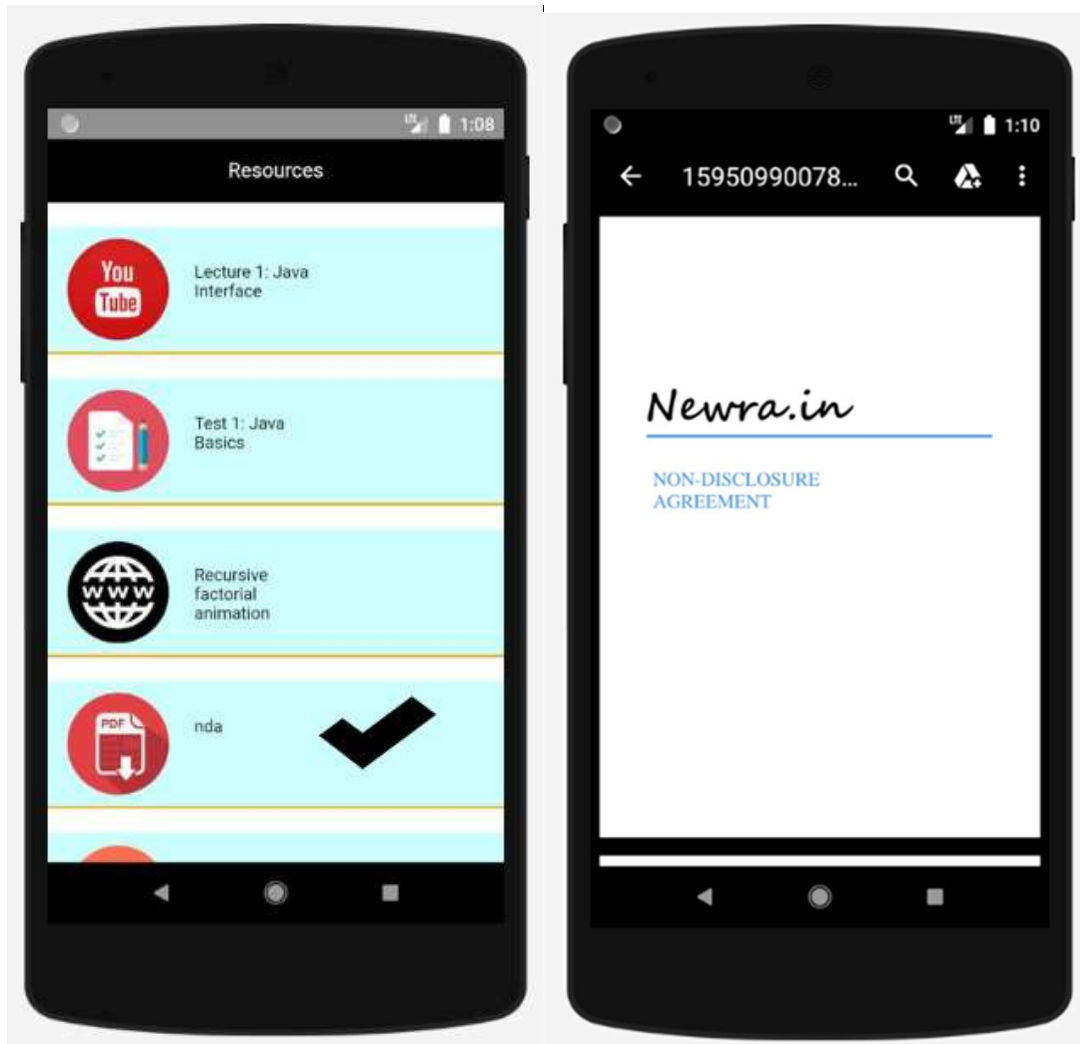

STEP 2: Now you can see all the resources uploaded by your faculty/teacher. It can be a YouTube link, website link, google form, pdf or an image. To view each resource uploaded just click on it.

❖ **REGISTER NEW COURSE:**

Students can register to a new course here.

STEP 1: Click on “**Register New Course**” icon.

STEP 2: Enter the **Course code** which will be given by faculty/teacher and press on **“Add”**. The course gets added successfully which can be viewed in Active courses.

❖ **AWAITING CONFIRMATION:**

The student can see which all courses are yet to get confirmation from the faculty/teachers.

STEP 1: Click on” Awaiting **Confirmation**” icon

STEP 2: You can now see all the pending courses

❖ **PROFILE:**

The students can check their profile details here

STEP 1: Click on “**Profile**” icon.

STEP 2: Now you can see all you basic details.
